The Oxford College of Science is a place of learning, fun, culture, lore, literature and many such life preaching activities. Studying at The Oxford College of Science brought an added value to my life. It gave me an opportunity to meet different kind of people and learn a number of things. I have received a great support from faculties & placement office. I am thankful to Training & Placement cell for providing a platform to enhance my skills and an opportunity to showcase them.

The Oxford College of Science has always believed in helping and guiding its students and it was no different during the placement season. Regular classes held at our college to help us with our aptitude and technical skills were of great help. Our placement officers also guided and encouraged us at each step thereby helping me secure my placement at such a reputed company
