CLEANLINESS DRIVE

VASUDHAIVA KUTUMBAKAM ON 21-06-2023

SPECIAL CAMPAIGN PROGRAM

Campaign activities started with village field work and continued with lecture session about Climate and Environmental Education by speaker Mrs.Rupa S, Founder of Jeevanmukthi, Environmentalist and Social Worker. This session helped everyone to understand and address the impacts of the climate crisis, empowering them with the knowledge, skills, values and attitudes needed for the change.

-23-

The awareness program conducted on Genetic Disorders by Sri Dundu Madaiah, BIERT, Ramanagara Dist. Which was about promoting health and preventing genetic disease. There is a need to raise awareness of malnutrition in the community, hence the awareness program was conducted on Identifying and Treating Malnutrition- collaboration with District Health and Family Welfare Department, Ramanagara in the presence of special invite Dr.K.P.Kantharaju, District Health Officer, Ramanagara.

Adding on with Women's Health and Education awareness program by speaker Mrs.Latha Venkat, Counsellor and Social Worker who explained about the importance of women's Health and Education which marginalize women and helps them to build better future for themselves and their families.

The next was training activity on Wealth out of Waste by volunteers of The Oxford College of Science which made the villagers for creative reuse by the waste and efforts to improve waste storage and collection are required for creative reuse.

Free Eye check up camp was organised for the village people in association with Dr.Agarwal's Eye Hospital, Rajarajeswari Nagara, Bangalore in the presence of Camp Manager Mr.Sagar. In the camp, people were examined for common eye problems, near and far vision and around 200 people were screened.

The activity named Development of barren land through plantation with the presence of chief guest Sri. Guru Raju, President, SDMC. The Oxford College of Science was successfully completed by planting 100 plants in barren land of the village.

At last the Valedictory Ceremony was done as the successful completion of the Campaign with Chief guest Dr. Poornima Jogi S and with the presence of Sri Mariswamy N, NSS Programme Officer, The Oxford College of Science.

Camp helps the volunteers to grow individually and also as a group. Volunteering for various tasks under NSS activities allows students to become confident, develop leadership skills, and learn about different people from different walks of life.
