The **Training and Placement Cell**, in association with **Cloud Institution**, organized a **two-day workshop titled “Cloud Computing”** on **05th and 06th February 2026** for **UG and PG Computer Science Final and Pre-Final Year students**. The workshop was conducted by **Mr. Vishwa**, who shared his expertise and industry-oriented knowledge on cloud computing technologies. The sessions focused on introducing students to the fundamentals of cloud computing, including **cloud service models, deployment models, virtualization, and cloud architecture**, along with discussions on current industry trends and career opportunities in the cloud domain. The workshop emphasized practical understanding and real-world applications of cloud technologies, helping students bridge the gap between academic learning and industry requirements. Participants actively engaged in the sessions, clarifying their doubts and gaining insights into how cloud computing is used in modern IT infrastructures. Overall, the workshop was highly informative and beneficial for students, enhancing their technical knowledge and preparing them for future career opportunities in cloud-based technologies. The **Training and Placement Cell** extends its sincere gratitude to **Mr. Vishwa** and **Cloud Institution** for their valuable support and contribution in making the workshop a success.
