The session was conducted for UG and PG students of the Commerce and Management Department. The alumni speakers shared their academic journey, career growth, and professional experiences after completing their studies. Ms. Shreya Nagaraj explained the importance of analytical skills, communication, and continuous learning in the corporate world. Ms. Soundarya Swamy spoke about her experience in the IT industry and highlighted the importance of skill development, adaptability, and professionalism. The session was interactive, and students actively engaged with the speakers by asking questions related to career opportunities and workplace experiences. The session helped students gain valuable insights into corporate work culture and career opportunities. It motivated them to focus on skill development and prepare themselves for professional challenges.
