

The Oxford College of Science

Recognized by the Government of Karnataka, Permanently Affiliated to Bangalore University, Approved by AICTE, New Delhi, Accredited by NAAC with "A+" Grade in Cycle III
International Accreditation Organization (IAO) & LSSSDC, Recognized by UGC under section 2(f) & 12 (B)
Support by DST under FIST Program, Recognized by GoK for BISEP (Formerly BTFS)

QUIZ CLUB

Event:- Ecolect- Environment day Quiz

Date & Time:- 08.06.2024

Venue :- 4th floor Seminar Hall

Co-ordinator:- Ms. Sony Samuel, Associate Professor, Department of Zoology and Genetics

Chakravyuh, the quiz club of the Oxford College of Science organized "ECOLECT". Ecolect was a quiz based upon nature and environment on the occasion of world environment day. The aim of the quiz was to test participants' knowledge on nature and environment and help them to gain more knowledge about the same. The quiz was open for all the UG and PG students of the college.

Preparation for the event started a week prior. The poster for the event along with the questions were made by Mr Ankit Dey, the student club coordinator. The poster was circulated among the students in the same week for the registration. The event was held in the seminar hall of our college under the guidance of Ms. Sony Samuel, (Assistant professor, Department of Zoology and Genetics) the Faculty Coordinator.

Many students enthusiastically participated in a team of two members. In the beginning of the quiz the rules were clearly defined. The quiz comprised of videographical, pictorial and paragraph questions with one word answers. The method used for quizzing was Pounce and Bounce, where teams were given a chance to write their answers in the provided sheet and the score was monitored by the other members of the club.

After the quiz was over the answers were discussed among the participants and their scores were evaluated. On the basis of the highest scores two winners were selected and were awarded with the trophies which were given to the participants by our Vice Principal academics Dr. Bharathi S and HOD of the department of genetics and zoology Dr. Pavana Kamath B. Hence the program concluded successfully and the students were also enthusiastic to attend more such quizzes.
