Objective of the Event:

The Department of Computer Science and Applications in association with IQAC of The Oxford College of Science, Bangalore organized a 3-days offline FDP on "Mobile Application Development" starting on 16th June 2025. The program aimed to enhance faculty skills in Android development, UI/UX design, and app deployment with hands-on experience. Resource persons Mrs. Kumuda H. T and Ms. Meghana C led sessions focusing on Android tools, project setup, and interface design. The inaugural session featured a welcome by Mrs. Vinita Tapaskar, who highlighted the need for continuous upskilling. Mrs. Kumuda H T introduced mobile app fundamentals and guided faculty members in using Android Studio. Ms. Meghana C conducted a hands-on session to build a basic app, explaining key concepts and coding best practices. Faculty gained practical exposure to app lifecycle, debugging, and testing methods. Digital certificates were issued. The department remains committed to organizing impactful faculty development initiatives.
