5	Participants	I, II- & III-year B.Sc., students
6	No of staff present	54 students + 2 Faculties

IV to Bangalore Milk Union Limited (BAMUL)

Explaining dairy processing by BAMUL Staff

The Industrial Visit to the Bangalore Milk Union Limited (BAMUL) on 7th March 2026 was organized under the DBT Star College Scheme by Dr. Chaithra M & Dr. Priya Kumari Paul, Assistant Professors, Department of Chemistry, The Oxford College of Science for UG students. This industrial visit to BAMUL provided valuable practical exposure to the operations of a large dairy processing industry. During the visit, students observed various stages involved in milk collection, testing, pasteurization, packaging, and distribution. The officials explained about modern machinery used for processing and the strict quality control measures followed to maintain product standards under the Nandini brand. All 46 students and 2 faculties actively participated and gained the importance of efficient supply chain management, sanitation practices, and technological applications in the dairy industry, making the experience both informative and beneficial for our academic learning.
