IV to Center for Nano and Material Sciences, JAIN Explaining Instrumentation by CNMS Staff

The Industrial Visit to the Center for Nano and Material Sciences, JAIN (Deemed to be University) on 26 February 2026 was organized under the DBT Star College Scheme. Coordinated by Dr. Nebula Murukesh and Dr. Soorya S Raj, Assistant Professors, Department of Chemistry, The Oxford College of Science, the visit provided students with valuable exposure to advanced research facilities and practical insights into nanoscience and material sciences. With the active participation of 54 B.Sc. students (I, II & III year) and 2 faculty members, the visit successfully bridged classroom learning with real-world applications. Overall, the program enriched students' knowledge, inspired research interest, and strengthened the academic-industry linkage, fulfilling the objectives of the DBT Star College Scheme.
