Explanation of DSLR camera Parts by the resource person

Photography practice session with the model

A Fashion Photography workshop was organised in the department for all the BSc FAD students by Mr. Gowtham S, Professional Photographer, Doozie Eye. A total number of 30 students attended the workshop which was guided and explained using the professional equipments used and the techniques used in fashion photography. The students gained valuable insights into various aspects from model, postures, makeup and photography.

The Resource Person guided them and explained about the opportunities in the field and about the famous brands of cameras and other supporting equipment's. This workshop gave students the confidence in using normal phones to professional cameras.

The workshop was highly beneficial for the students as it will help them in everyday lives, portfolio shows and photography sessions. Students gained knowledge on overall process of learning the importance of camera and brand analysis for each kind of photography session.
