

The Oxford College of Science

Accredited by NAAC with A+ grade in cycle III

Recognized by the Govt. of Karnataka; Permanently affiliated to Bangalore University & Approved by AICTE, New Delhi

Recognized by UGC under section 2(f) & 12(B); Recognized by GoK for BiSEP (formerly BTFS)

Supported by DST GoI under FIST program, Supported by DBT GoI under DBT-STAR College

DEPARTMENT OF BIOCHEMISTRY

Event: Add-On Program “Microbial Marvels: Exploring the Microbiome”

Date: 23rd September -27th September 2024, Venue: Biochemistry Lab

Resource Person: Ms Evawe Prabha, Associate Professor & Dr. Nalini S, Assistant Professor.

Organizing Secretary- Dr Sangita Roy, Head, Department of Biochemistry.

37 Students from II Semester MSc. Biochemistry participated in the Add-on Program.

The microbial world, comprising bacteria, viruses, fungi, and other microorganisms, through their incredible diversity and adaptability, has led to breakthroughs in medicine, agriculture, and biotechnology, enabling the development of antibiotics, vaccines, biofuels, and novel therapeutics. Five days long Add on Program comprised of inoculation, Plating, Media Preparation, Staining, counting, propagation of microbial culture was a valuable educational experience of the students. The combination of lecture and hands on training helped them to understand the subject in details and motivated them to pursue research in the same field.
