The Oxford College of Science proudly hosted the much-anticipated **Industry-Institute Interaction Meet** on **21st June 2025**, marking yet another step towards bridging the gap between academia and industry. The event was a grand confluence of dignitaries from reputed industries, academic leaders, faculty members, and enthusiastic students, all coming together with a common purpose — fostering collaboration and creating a holistic ecosystem for innovation and employability.

The event commenced promptly at 10:30 AM in the college auditorium, decorated to reflect the professional ethos of the occasion. A sense of excitement filled the venue as students and faculty assembled to witness the congregation of intellectual and industrial excellence.

The ceremony began with a warm welcome extended to the dignitaries and delegates by the organizing committee. The emcee invited the following esteemed dignitaries to the stage:

- **Chief Guest:** – Dr. S.N.V.L Narasimha Raju (Chairman, The Oxford Educational Institutions)
- **Guest of Honour:** Ms. S.N. Leela Lakshmi Raju (Academic Head, The Oxford Schools)
- **Principal** – Dr. H.B. Bhuvaneswari
- **Vice Principal** – Mrs Gayathri Sudhir

Lamp Lightning

The traditional Lighting of the Lamp ceremony followed, symbolizing the dispelling of ignorance through the light of knowledge. Dignitaries joined together to inaugurate the session with the invocation song by Anvitha, invoking blessings for a fruitful meet. This ritual was not just symbolic but underscored the importance of values and tradition in contemporary academic discourse.

Introduction of Dignitaries by Dr. Kamatchi Ma'am

The formal proceedings began with **Dr. Kamatchi**, senior faculty member, introducing the dignitaries. Her eloquent narrative highlighted each individual's achievements and their invaluable contributions to their respective domains. Her introduction added a personal and professional dimension to the profiles, drawing admiration and respect from the audience.

Opening Remarks

The Principal, Dr. H.B. Bhuvaneshwari, took the stage next and provided insights into the academic strategies and institutional objectives of The Oxford College of Science. She discussed how collaboration with industry not only aids in curriculum design but also enhances placement opportunities and student exposure to real-time applications of their learning. She emphasized a student-centric approach to education that integrates theory with practice.

Bird's Eye View of the College

Next, Mrs Gayathri Sudhir, Vice Principal, provided a comprehensive Bird's Eye View of The Oxford College of Science. She briefed the history and growth of The Oxford Institutions along with the different courses provided by The Oxford College, HSR Campus. She also highlighted the academic

achievements, research initiatives, industry collaborations, and infrastructural developments that have placed the institution at the forefront of education. Her address also emphasized the college's commitment to producing graduates who are not only academically sound but also industry-ready.

Onboarding Experience by Delegates

Industry delegates representing top firms who are already associated with The Oxford College shared their **onboarding experiences** and interactions with students. These interactions included:

- **Mr Gangadhar Immati**, Technical Manager from Vitricks technology, spoke about conducting Industry Institute Meet, which helps in making a better India. It would help the students to understand the real world problems and work on it.
- **Mr. Pravir Kumar**, CEO of Rubicon (NGO), was excited to speak about the enthusiasm our students showed during the soft skill training program. He focused on enabling career journeys through skill development and increasing the employability along with better educational facilities.
- **Mr.Kalyan B Ram**, Co-founder and CEO of Indxo AI Pvt.Ltd, elaborated on the importance of alignment of The Oxford curriculum with industry demands. He thanked The Oxford Chairman for providing the support to empower entrepreneurship in developing India.

Their feedback reinforced the need for more structured collaboration in terms of internships, guest lectures, research mentorship, and live projects.

Chairman's Address

Dr. S.N.V.L Narasimha Raju, Chairman of The Oxford Educational Institutions, delivered an inspiring speech focused on the evolving dynamics of education in the age of digital transformation. He stressed the importance of industry-institute partnerships, skill-based learning, and innovation-driven curricula to meet global challenges. He also appreciated the efforts of the college in hosting such a significant event to bridge the gap between industry and academia.

Felicitations

In a heartfelt Felicitations Ceremony, the college management honoured the delegates with mementoes as tokens of appreciation for their valuable time and insights. The dignitaries also felicitated faculty coordinators and student volunteers who played a key role in organizing the event.

Photographs were taken to capture the moments of celebration and gratitude. These memories will serve as a reminder of the fruitful exchange of knowledge and inspiration shared during the event.

Dr. Kavisha Ghosh highlighted the recent collaboration with the Divisional FACS Facility, IISc Bangalore in organizing hands on workshop as a part of enrichment program for PG Biotechnology students. She took the opportunity to thank the collaborator, Prof Annapoorni Rangarajan and the expert trainers, Mr. A Munish and Ms. Navya R in their absence. She also addressed about the collaboration with Nagasaki University, Japan and thanked Dr. B.A. Venmathi Maran, Associate Professor, Nagasaki University for taking this initiative.

This was followed by the felicitations of the dignitaries from 41 different industries. Dignitaries were invited to the stage and while a brief introduction of their companies was given by the faculties. The chairman Dr. S.L.V.L Narasimha Raju honoured each of the dignitaries.

Vote of Thanks

The vote of thanks was delivered by Dr. Payal Sarkar, Faculty Coordinator, who expressed deep appreciation to the management, faculty, students, and especially the industry representatives for making the event a grand success. She emphasized that such collaborations would continue to be nurtured and strengthened in the future.

Conclusion

The event concluded with the rendering of the National Anthem, uniting everyone in a shared sense of pride and purpose. As the notes of the anthem resonated through the auditorium, it marked the culmination of a day rich in knowledge exchange, networking, and inspiration.

The Industry-Institute Meet 2025 at The Oxford College of Science was a resounding success. It not only brought industry and academia onto a common platform but also paved the way for future collaborations, mutual growth, and sustainable educational advancements. The meet reaffirmed the college's commitment to excellence and its role in shaping a workforce ready to meet the challenges of tomorrow.
