EVENT: Enrichment Program on National Chemistry Day

Date and Time: 02.08.2024. 02:00 pm

Resource person: All faculty of Department of Chemistry

Department of Chemistry

The Oxford College of Science

Number of students Participated: 57

The Department of Chemistry celebrated National Chemistry Day, dedicated to the Honorable Prafulla Chandra Roy (often referred to as the Father of Indian Chemistry), to celebrate his immense contributions to the field of chemistry, both in India and globally. We organized chemistry quizzes or competitions for students, where they can learn about Roy's achievements and gain a deeper understanding of chemistry.
