

The Oxford College of Science

Accredited by NAAC with A+grade in cycle III

Recognized by the Govt. of Karnataka; Permanently affiliated to Bangalore University & Approved by AICTE, New Delhi

Recognized by UGC under section 2(f) & 12(B); Recognized by GoK for BiSEP (formerly BTFS)

Supported by DST GoI under FIST program, Supported by DBT GoI under DBT-STAR College

DEPARTMENT OF ELECTRONICS

Seminar on 'Cell phone/Tower Radiation Hazards and Solutions'

SL.NO	DETAILS OF THE EVENT	
1.	Title Of The Event	Seminar on 'Cell phone/Tower Radiation Hazards and Solutions'
2	Day and Date	Tuesday, 2 nd September 2025
3	Venue	Auditorium
4	Organizing Secretary/ Co- Coordinators	Ms Gaganashree B
5	Participants	B.Sc. Life Science and Physical Science Students.
6	No of students and staff present	100 students, 3 staff

Resource person: Dr H B Bhuvaneswari

The Department of Electronics successfully conducted an informative seminar on the topic **"Cellphone/Tower Radiation Hazards and Solutions"** on 2nd September. The seminar aimed to raise awareness among science students regarding the lesser-known risks of mobile phone and tower radiation, while also discussing scientifically validated preventive measures. The seminar was made even more special with the presence of our respected **Principal, Dr H B Bhuvaneswari**, who graced the occasion as the **guest speaker** and led the session with deep insight and clarity.

The event received overwhelmingly positive feedback. Students appreciated the clarity and relevance of the topic, and many expressed interest in pursuing mini-projects or research papers related to EMR and public health. The seminar was both enlightening and thought-provoking.
