My name is Rufiya I am Pursuing my BSc in Biotechnology and Genetic at The Oxford College of Science Bangalore-560102. As a student Rufiya, I was impressed by the well-structured curriculum, which blended theoretical knowledge with hands-on laboratory experiences. The faculty members were not only experts in their fields but also approachable mentors who encouraged critical thinking and research. The college's modern labs, library resources, and emphasis on practical learning greatly enhanced my understanding of core scientific concepts. Additionally, workshops, seminars, and industry interactions provided valuable exposure beyond textbooks. The supportive environment and vibrant campus life. I am grateful for the strong academic foundation and confidence I gained, which will undoubtedly propel my future career in science.
